The Privatisation of Education

Education is an important part of our community, but increasingly government sees it as just another business. Find out what economic rationalism is doing to schools and TAFE, locally and across Australia, and find out what you can do about it.

This Politics in the Pub is a must see event for every parent, student and educator in the Blue Mountains.

Speakers include:

Angelo Gavrielatos:

Australian Education Union AEU Deputy Federal President

Janice Frape:

Blue Mountains P&C

Local TAFE Students
